

FROM THE PRINCIPAL

Dear Parents and Community Members,

This annual report card issued by the Oregon Department of Education offers a comprehensive picture of how Evergreen students performed on the 2014-15 state tests. It also reviews what programs and supports are offered at Evergreen School. Please note: The Oregon Department of Education has temporarily suspended the assignment of school ratings during the transition from the OAKS (Oregon Assessment of Knowledge and Skills) to the new college and career readiness assessments (Smarter Balanced). Evergreen School will not receive an overall school rating on this report, but will receive a new overall school rating on the 2015-16 report.

In the 2014-15 school year, Evergreen School students again out-performed the state as a whole in both English/Language Arts (ELA) and Math at every grade level tested, 3-8. Our students

continue to exhibit results in terms of academic performance in the top portion of all Oregon schools. We are VERY pleased with the Evergreen results.

We have every expectation that Evergreen School students will continue, as a whole, to demonstrate academic excellence and growth. We will continue to focus on implementing the Common Core State Standards (CCSS) at all grade levels. Our goal is to maintain our ranking in the top levels of all Oregon schools.

We look forward to a combined partnership with you over the coming year.

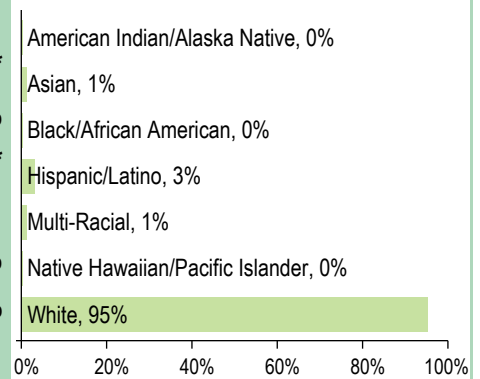

Thank you,

Principal | Jamie Mccarty

OVERALL SCHOOL RATING

Given the recent passage of the Every Student Succeeds Act (ESSA) and the expiration of Oregon's ESEA flexibility waiver on August 1, 2016, the State of Oregon will not assign ratings (i.e., overall and comparison school ratings) to schools for the 2015-16 school year.

SCHOOL PERFORMANCE

Performance of students enrolled in the school for a full academic year

Did at least 95% of the students at this school take required assessments? Yes No, Interpret Results with Caution
Participation rate criteria are in place to ensure schools test all eligible students.

The Smarter Balanced and alternate assessments have four performance levels where levels 3 and 4 are meeting the standard for school and district accountability.
